

Alverton Weekly News

Friday 5th June 2020

www.alverton.n-yorks.sch.uk

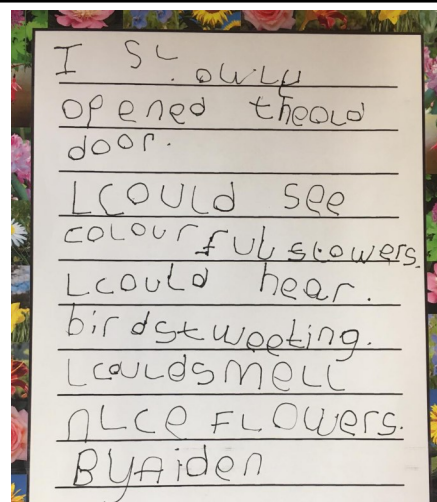

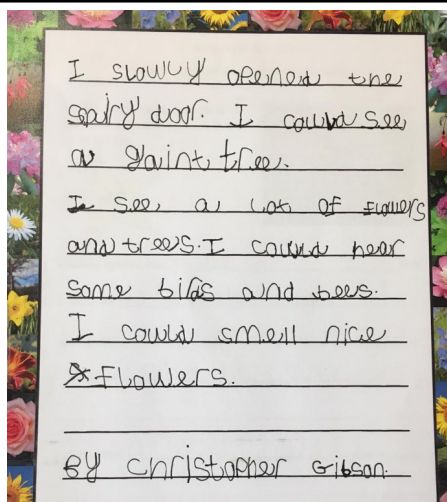

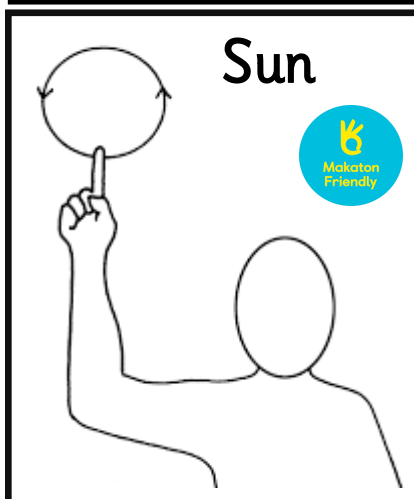

It has been lovely to hear the school building filled with a few more voices during the past week although sad that pupils are isolated in their bubbles and continuing to socially distance where possible. The future is still very much uncertain and we are continuing to refine processes and risk assessments to ensure that the school is safe space for pupils and staff. We have revised our class size numbers to 12 and in some classrooms 10 depending on their size. All of the cleaning and PPE equipment has arrived and routines are in place.

I am incredibly thankful for the patience of parents and pupils as we begin a new chapter towards a full reopening of school. Presently we do not know when that will be and although the ambitions of the Government were to have everyone return to school for a month before the end of the summer term that would seem impossible under the current guidelines.

It is important to stress that pupils in school are following the same learning as those pupils at home and it is essential that pupils use the seesaw app to complete the tasks provided. This includes pupils who are splitting their time between home and school. As always, staff can be contacted through their email address or seesaw if you are having any difficulties. I appreciate that there may be times when it is not appropriate to complete work and it is important to find a balance between work, exercise, cooking, art and craft as well as having quality family time.

As we prepare for a wider opening of shops, primary schools and secondary schools from the 15th June, it is important to remember that the risks associated with covid19 have not gone away and we must continue to look after ourselves and our families.

Take Care, Stay Safe and Stay Positive.

SEESAW

Please ensure you are signed up to Seesaw. We would like ALL children to be using their accounts. It is a fantastic way to keep in touch with your child's teacher. We will be continuing to use this app, long after things get back to normal; for giving out homework etc. so it is very important that you sign up. Please contact your child's class teacher, or email the office on admin@alverton.n-yorks.sch.uk for your login details.

Aiden and Christopher in Year 1 have produced some beautiful writing this week.

Amazing work boys - well done!

Please keep in touch with us via Facebook, we love to see what you are all doing!

BEFORE

Year 6 have been busy transforming the planter boxes on the KS2 field.

AFTER

In the Jar-den School Competition - Harrogate Flower Show - Mrs Eastwoods Class
Here are pictures of our entry that would have been sent to the Harrogate Flower Show.
The children had all the ideas and worked hard to start it off. Mrs Pringle kindly took it home to finish and sent in the photographs. We based it on The Great Kapok Tree as we enjoyed the book so much!
