

Alverton Weekly News

Friday 12th June 2020

www.alverton.n-yorks.sch.uk

As the weather has turned decidedly more 'British Summertime' I hope the wind and rain is not spoiling plans at home too much.

I would like to say hello and pay tribute to those families who are still continuing with home learning and have pupils who are not eligible to return to school. Teachers have spent time discussing those pupils who are working hard at home this week. I have seen some of the posts that have been put on seesaw by our children and have been impressed with the creativity and commitment. I'm aware that technology has not allowed some families to access seesaw yet and we are working on solutions. Some families also prefer paper copies of work provided - please contact the office if you would like to collect work instead of completing it online.

Please keep your eyes open for an email / seesaw post from teachers asking pupils to complete a section for their reports which will be going out during the first week of July.

In school we have almost reached full capacity with the numbers of children we are able to accommodate. Although it was disappointing to hear that a wider reopening of schools has been stopped until September, we are now turning our thoughts to ensuring pupils have the support and guidance they need on their return.

Take care and thanks for your continued support - please get in touch if we can help in any way. Many thanks.

Hot

feeling hot)

Year 6 have added 2 fantastic scarecrows to KS2!

Please contact school if you need help with your child's seesaw account.

Please keep in touch with us via Facebook, we love to see what you are all doing!
