

Breakfast Club

We offer breakfast club at both KS1 and KS2 for children 3-11 years old that attend our school.

Breakfast club starts at 7.45 on both sites.

If your child needs breakfast, they will need to arrive by 8.15.

Our breakfast club is currently free and is funded by Greggs and Broadacres.

The children have a choice of cereal or toast and juice or water.

We also cater for all dietary needs.

Teachers report that children have improved attendance, attention, behaviour and levels of concentration as a result of healthier foods being provided in the morning. In addition, it has been suggested that this provision can also contribute to improved academic performance.

The benefits of a healthy breakfast are;

- has a positive effect on pupils' concentration and performance throughout the day
- can help improve pupils' attendance and punctuality
- can lead to better social interaction and skills between pupils;
- can benefit low income families by providing no-cost or low-cost breakfast

If you would like book your child into breakfast club please either

- Fill in the booking form (sent out online)
- Email lhedley@alverton@n-yorks.sch.uk or admin@alverton.n-yorks.sch.uk
- Ring school - 01609 773524
