Reading

Little Wandle books will be sent home every Wednesday with the expectation that they are returned to school on Mondays. Alongside the Little Wandle books, we also encourage children to read for pleasure to nurture their love for reading. We provide them with a free choice book, which can be changed as frequently as required. It is crucial that the Little Wandle books are returned promptly to facilitate their rotation, ensuring all children have the opportunity to engage with a range of texts.

Homework

Children will receive a set of spellings every Friday. These spellings will cover a range of words appropriate to their year group's curriculum. These spellings should be practised at home throughout the week to reinforce your child's learning. Please assist your child in completing their spellings homework by dedicating a short period of time each evening for practise. Spellings will be tested every Friday and test results will be shared with you on Friday, alongside their new weekly spellings.

PE Kit

Please have your PE kit in school every day. Our usual PE days are on a Tuesday and Thursday.

Water Bottles

Please bring a water bottle to school. These can be refilled from the water coolers or classroom taps.
